HIGHER GROUND

gear for your laptop lifestyle

Airporter - for thinner 15” and smaller laptops

An elegantly simple laptop sleeve designed for the sophisticated traveler. The plushly padded main compartment with its unique, retractable pull-tab, protects your laptop and provides easy access at security checkpoints. The unique drop down, stealth panel conceals your important travel documents (E-ticket, ID, Passport) then instantly reveals them when needed. Constructed of the finest quality micro fiber, the Airporter is the perfect companion for the savvy traveler.

Features

- accommodates a 14.5” x 10“ x 1” laptop
- organizer panel for passport, pen, business cards
- self-retractable, laptop pull-tab for easy removal
- document pocket on back
- micro fiber fabric construction
- rigid frame & shock absorbing foam padding throughout
- all stress points are reinforced
- padded handle
- single shoulder strap included
